When you are pretty bored with your current look, there are few ideas that could help you get out of this cycle. A short hair cut is a fresh idea when you are bored of your long unmanageable hair. You may think it is experimental and a bold move but completely worth it if the correct type of hair-cut is been chosen which best suits your face-cut and personality.

Sport these 8 short hair cuts to refresh your entire look.

### 1. Long Voluminous Pixie

A bit longer than the classic pixie, the spirit of this hair cut is that it is youthful. It gives you a smart and elegant look.

## 2. Short bob with fringe

The fringe in this haircut adds to the glam factor of this hair-cut. Best suited for long faces, it can be coupled with a suitable hair colour and make-up.

## 3. Messy Layered Bob

The messy layered cut is simply irresistible..!! It's a rare combo of being raw & stylish adding a lot of charm to the X-factor of your next party dress.

#### **4. Parted curls**

This short hair cut for curls sets you apart from the heard, embracing elegance and uniqueness..!!

#### **5. Side swept fringe**

Side swept fringe hair styling can give you a new feel and is flexible to be combined with other short hair-cuts such as step, layers or graduate cut, whichever best suits your face and personality.

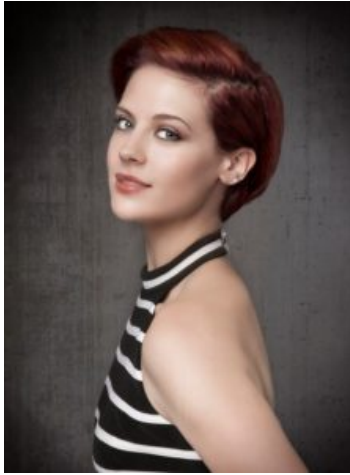

## 6. Tousled Bob

Trendy and casual, this hairdo can surely have eyes rolling up for the ones who can carry it well.

## 7. Tugged behind ears

For those of you want to do it the simple yet elegant way. Not with much of maintenance, this hairstyle is in for a prim and proper look.

## 8. Asymmetrical sweep

Bold yet fabulous, for those of you who want to completely revive your hairdo, and overall look, asymmetrical sweep gives you that sharp edge reflected by a smart short hairdo.
